Search Methods: By Part number

Copy-and-Paste full part number or begin typing number in search field. As you type you'll notice a list begins to populate and changes based on what you type. This feature is borrowed from the Quick order option.

The screenshot shows the HAWE website's search interface. The navigation menu includes Home, Products, Policies, News, Sales, Technical & Service, and Contact Us. The search field contains the text "6963 00". A dropdown list of part numbers is displayed, enclosed in a red box. The background features a large red HAWE logo and the text "HYDRAULICS Solutions for a World under Pressure" over a technical drawing.

Enter type code here.

Search Methods: By Part number

Copy-and-Paste full part number or begin typing number in search field. As you type you'll notice a list begins to populate and changes based on what you type. This feature is borrowed from the Quick order option.

The screenshot shows the HAWE website's search interface. At the top, there is a navigation menu with links for Home, Products, Policies, News, Sales, Technical & Service, and Contact Us. A search bar is located in the top right corner, containing the text "Enter type code here." Below the search bar, a dropdown menu is open, displaying a list of part numbers starting with "6963 0010". The list includes:

- 6963 0010-76.HW - ba 2-lz 1/.../5 r
- 6963 0010-12.HW - psv unf 21-2
- 6963 0010-55.HW - psv unf 441/350-3
- 6963 0010-57.HW - psv unf 441/-3
- 6963 0010-18.HW - hsv 61 r 2-150-wg 110
- 6963 0010-50.HW - bwh 1 a-5
- 6963 0010-51.HW - bwh 1 a-5-r4r4r4h4r4h4-42-1

The background of the page features a large, stylized red logo for "HAWE HYDRAULIK" and the tagline "Solutions for a World under Pressure" in red text. The background also includes a faint technical drawing of a hydraulic circuit.

However, don't be concerned as the part number you searched on will ALWAYS be at the top of the search results as long as you use the complete and properly entered HAWE part #.

Note: Using partial #'s like 6963 0010 will NOT populate at the TOP of the search results and you'll have to scroll through the pages to find it.
